

*2011 Match Play Club Champion Nelson Lang*

# Match Play Club Championship

## First Round Matches Saturday, July 7

### Both Courses

#### **8:00 a.m. Shotgun – First Round Matches (7:00 a.m. Breakfast)**

Every club has a champion... we now have 12! The club championship is put into 11 flights of 16 players and 1 flight of 32 players aptly named after "Legends of Golf": Payne Stewart, Jack Nicklaus, Arnold Palmer, Sam Snead, Ben Crenshaw, Gene Sarazen, Tom Watson, Andy North, Ben Hogan, Gary Player, Byron Nelson, and Walter Hagen. The player's handicap ultimately decides which flight they will compete in and each match plays match is played off the low handicap (except for the Stewart Flight). So tee it up and become part of history as a Club Champion no matter what flight! First round matches will be played at both facilities. Championship Flight will play all matches at Bristlecone; other flights will be assigned by the Pro Shop. For all matches other than first round, course will be determined by mutual agreement or a coin flip by the Pro Shop.
